3rd September 2001

Dear Paul

I hope that you are well.

We are currently in the process of completing some paperwork in relation to Inventions and Patents. The papers refer to a project you were working on during your employment with ARC.

I would be grateful if you could contact Allan Richards, Legal Counsel, to help complete these papers, as we also require your signature.

If you have any queries, please do not hesitate to contact me.

Yours sincerely
ARC International (UK) Ltd

Lorna Buckland
Manager, Human Resources
